

## 14<sup>TH</sup> INTERNATIONAL SYMPOSIUM

### *MINE ACTION 2017*

**Biograd na Moru, Croatia, 25 - 27 April 2017**

Zagreb, 5<sup>th</sup> of December, 2016

#### EQUIPMENT MANUFACTURERS

Dear colleagues,

It is our pleasure to invite you to **the 14<sup>th</sup> International Symposium *Mine Action 2017***, which will be held from 25<sup>th</sup> to 27<sup>th</sup> April 2017 in Biograd, Croatia. The purpose of this Symposium is to provide an overview of the latest scientific and practical achievements, to identify challenges and offer sustainable solutions in mine action. The main topics will be:

- **Twenty years of Ottawa Convention – achievements and challenges**
- **Non-technical Survey – best solutions**
- **Terrorism and ERW**
- **IEDs – experiences and methods of approach**
- **Cluster munition disposal – latest experiences**
- **New technologies in mine action**

In addition to the partner country the Republic of Colombia, a donor country will be represented as well. The field day will highlight the latest technologies and new developments in the field of robotic systems. As in previous years, we will demonstrate the work of demining machines with new tools.

Please note that the First International ICI WORKSHOP 'HUDEM'2017' focusing on 'Robotics for C-IED, C-CBRN-EOD Actions' will be held parallel with the Symposium sessions.

We believe that this will be an excellent opportunity for you to present your demining equipment. You can do this by ordering an exhibition stand, by demonstrating your equipment at the field demonstration and by advertising your company in the Book of Papers and present your company to the targeted audience. Having in mind the general situation in mine action world-wide, we have decided to give a support to exhibitors and thus we have decreased the prices of exhibiting and advertising by 20 -50 %.

In addition to the above said, we can offer a possibility to sign a sponsorship agreement, which brings other benefits to you. If you are interested in this type of cooperation, please do not hesitate to contact us. For more information, please visit our web site [www.ctro.hr](http://www.ctro.hr).

We look forward to seeing you in Biograd.

Sincerely yours,

Nikola Pavković  
President of the Organising Committee

- PRICELIST:**
- Exhibition stand: **1.000 EUR (registration fee for 2 persons is included)**
  - Advertising in the Book of Papers:
